

Our Year 6 pupils had an absolutely fantastic time at Rap Therapy's Workshop. Tubby kicked things off with such energy and passion, it was infectious! Right from the start, he connected with the pupils in a warm and genuine way.

Throughout the workshop, Tubby's enthusiasm never wavered. He gauged the room well and knew how to get everyone engaged and enthusiastic. Even those children who were naturally more shy threw themselves into activities and were keen to perform their raps. The room was awash with smiles and laughter.

The best part? Tubby made learning feel like a joy. With fun activities and group rap sessions, our pupils not only got better at writing and expressing themselves but also learned important stuff about teamwork and confidence. It was amazing to see how much they grew in just one workshop!

Tubby's dynamic leadership was inspiring for both pupils and teachers alike. He has a knack for motivating children, and it's clear he's passionate about helping them shine. The workshop wasn't just about music and rhymes; it was about building skills that will stick with these children for life.

Here are some things our children had to say about the workshop:

"Rap Therapy was one of the best experiences I have ever had - I learned a lot and had a brilliant time!" Emma 10 years old

"I LOVED the session with Tubby and I thought the rap we made about a book was awesome. The sweets were a great added bonus too! Overall it was FANTASTIC!" Hugo 10 years old.

"Tubby is super friendly and the best at his job!" Oscar 10 years old.

"I thought Rap Therapy was so truly wonderful and I felt like everything which was making me feel worried flew away. I LOVED IT!" Ottilie 11 years old.

We can't recommend Rap Therapy's workshops enough. They're ideal for any school looking to give their pupils an unforgettable experience that's both fun and meaningful. Thanks, Tubby, for rocking our world with your rap magic!
