Dear Rap Therapy,

The workshop went extremely well, the children and staff thoroughly enjoyed it and the engagement from the students was excellent. Everyone had a really good time, learnt new skills and it was a wonderful opportunity for the young people to show their hidden talent and to be able to perform in front of their peers, which they rarely have the confidence to do. We will certainly be looking at booking you again in the future.

Thank you for an engaging and fun morning.

From all of the staff and young people at The Old Priory School.

Regards

Julie Bartlett | Headteacher
